## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 12-34 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record and to the examiner's knowledge does not teach or render obvious the instant invention particularly characterized in claim 12 by the limitation of coating a substrate with a solution comprising an incompletely condensed polyhedral silsesquioxane according to formula (1) or (2) given in the claim. Claims 13-34 depend on claim 12.
3. The closest prior art of record is Jost et al. (WO 03/042223 A1, published 5/22/03; English equivalent U.S. 2005/0010012 A1). Jost et al. similarly discloses using an incompletely condensed polyhedral silsesquioxane but differs from the instant invention in that the incompletely condensed polyhedral silsesquioxane is reacted with an alkoxysilane and polymerized, and whereby the resultant polymerized compound is coated on a substrate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Reema Patel whose telephone number is (571)270-1436. The examiner can normally be reached on M-F, 8:00-4:30 ET.
